Looking for a Therapist? ADAA Can Help

ADAA's Find Your Therapist Directory is your trusted resource for connecting with licensed mental health professionals who specialize in treating anxiety, depression, OCD, PTSD, and other related disorders. Each provider listed holds a valid clinical license and brings expertise to support your mental wellness journey.

If You're Having Trouble Finding a Therapist

If you don't find a match in our directory, we encourage you to:

- Contact your primary care provider
- Check with your health insurance company
- Explore other reputable directories of licensed mental health professionals

Please Note:

- U.S.-based clinicians cannot see clients who reside outside the United States due to licensing laws.
- Clinicians who do not mention insurance participation in their profile do not accept insurance.

Know that you are not alone, and help is available. If you are in crisis call or text 988 for the Suicide & Crisis Lifeline.

The members in ADAA's Find Your Therapist directory are listed for the sole purpose of helping the public or serving as an ADAA professional member referral.

The emails of the therapists cannot be used to contact them for any reason other than requesting mental health services or for an ADAA professional member to reach out to another member to discuss a possible referral. These emails are not to be used to solicit business or promote any products. ADAA reserves the right to take legal action if solicitations occur.
